

# FYE-1805: SPECIAL TOPICS: SECOND SEMESTER PATHWAY: PUBLIC SAFETY

---

## Cuyahoga Community College

**Viewing: FYE-1805 : Special Topics: Second Semester Pathway: Public Safety**

**Academic Term:**

Fall 2018

**Subject Code**

FYE - First Year Experience

**Course Number:**

1805

**Title:**

Special Topics: Second Semester Pathway: Public Safety

**Catalog Description:**

Broadens and deepens a meaningful connection between a chosen major and a career path and encourages engagement between students and faculty members. Students will develop a complete academic plan related to their specific discipline or vocation and will become familiar with support services that encourage thoughtful academic and career planning. Upon completion, students will be assigned a faculty advocate.

**Credit Hour(s):**

1

**Lecture Hour(s):**

1

## Requisites

**Prerequisite and Corequisite**

GEN-1070 First Year Success Seminar.

## Outcomes

**Course Outcome(s):**

Create a complete and locked academic plan in DegreeWorks.

**Essential Learning Outcome Mapping:**

Critical/Creative Thinking: Analyze, evaluate, and synthesize information in order to consider problems/ideas and transform them in innovative or imaginative ways.

**Objective(s):**

1. Select and/or verify major via My Tri-C Space and DegreeWorks
2. Student reviews My Plan completed during the first semester Gen 1803/1070.
3. Explore chosen major using the interactive online catalog.
4. Locate the academic plan feature in Degree Works.
5. Run a Degree Works audit.
6. Meet with a counselor to interpret Degree Works audit and create a locked and active academic plan.

---

**Course Outcome(s):**

Engage with relevant support services to develop knowledge and skills within the chosen academic pathway.

**Essential Learning Outcome Mapping:**

Critical/Creative Thinking: Analyze, evaluate, and synthesize information in order to consider problems/ideas and transform them in innovative or imaginative ways.

**Objective(s):**

1. Identify relevant academic terminology for career and job seeking skills and experiences.
2. Identify transfer options to attend a four-year institution, including meetings with a transfer center specialist, career center specialist, and counselor (if applicable to career aspirations)
3. Distinguish between accredited and non-accredited educational programs.
4. Explore certifications and other credentials associated with the degree.
5. Identify resources within the Career Center that can promote employability in the hiring process (resume writing, cover letters, mock interviews, job search strategies, employment data, internship and co-op opportunities, and networking).

---

**Course Outcome(s):**

Identify engagement opportunities between faculty and/or industry professionals and students within their career pathway.

**Essential Learning Outcome Mapping:**

Critical/Creative Thinking: Analyze, evaluate, and synthesize information in order to consider problems/ideas and transform them in innovative or imaginative ways.

**Objective(s):**

1. Conduct research in the area of career interest.
2. Complete an assignment in the field of study.
3. Identify potential entry-level positions in the chosen career.
4. Interview a person in the chosen field.
5. Research student and professional organizations relevant to the field.
6. Identify skills needed for job success within the career pathway.
7. Identify effective communication strategies for a diverse workplace.
8. Identify working conditions of careers within the career pathway.
9. Evaluate job functions, skills and values of careers within the career pathway.
10. Engage with a relevant student or professional organization within career pathway

---

**Course Outcome(s):**

Connect to a Faculty Advocate.
